

Diseminarea rezultatelor

4 participări la conferințe internaționale

1. D.Berger, M. Deaconu, A.-M. Seciu-Grama, Ana-Maria Brezoiu, B. Vasile, Alin G. Gheorghe, C. Matei, *Properties and biological activity of composite materials based on mesoporous silica modified with inorganic nanoparticles*, 23rd International Balkan Workshop on Applied Physics and Materials Science, 9- 12 iulie 2025, Constanța, Romania (conferință invitată).
2. D.Berger, M. Deaconu, Alin G. Gheorghe, A.-M. Seciu-Grama, Ana-Maria Brezoiu, B.Ș. Vasile, C. Matei, *Nanoplatfroms based on metallic nanoparticles for biomedical applications*, 17th Edition of the International Conference "New Trends in Chemistry Research" 24-26 Sept. 2025, Timisoara, Romania (comunicare orală)
3. M. Deaconu, M.-I. Sava, D. Berger, C. Matei, *Ulván extracted from ulva lactuca seaweeds used for green synthesis of gold nanoparticles*, 17th Edition of the International Conference "New Trends in Chemistry Research" 24-26 Sept. 2025, Timisoara, Romania.
4. A.G. Gheorghe, M. Deaconu, A.-M. Brezoiu, A.-M. Seciu, B. Trică, C. Matei, D. Berger, *Properties of biocomposite materials containing Ag or Au nanoparticles*, The International Symposium Priorities of Chemistry for a Sustainable Development "PRIOCHEM XXI – 2025 (prezentare orală).
